## Perfect selfies

Snap and cherish all your selfies with the 5MP front camera. Never miss a moment with your significant other.

## Android 6.0 Marshmallow

Redesigned user interface that is friendly and intuitive.

Lock screen notifications for quick actions and quick access.

Project Volta for better battery life than any previous version.

Multitasking is now easier with a look at all your open applications.

Multiple users and guest mode make it easy to share your device  
without compromising your personal information.

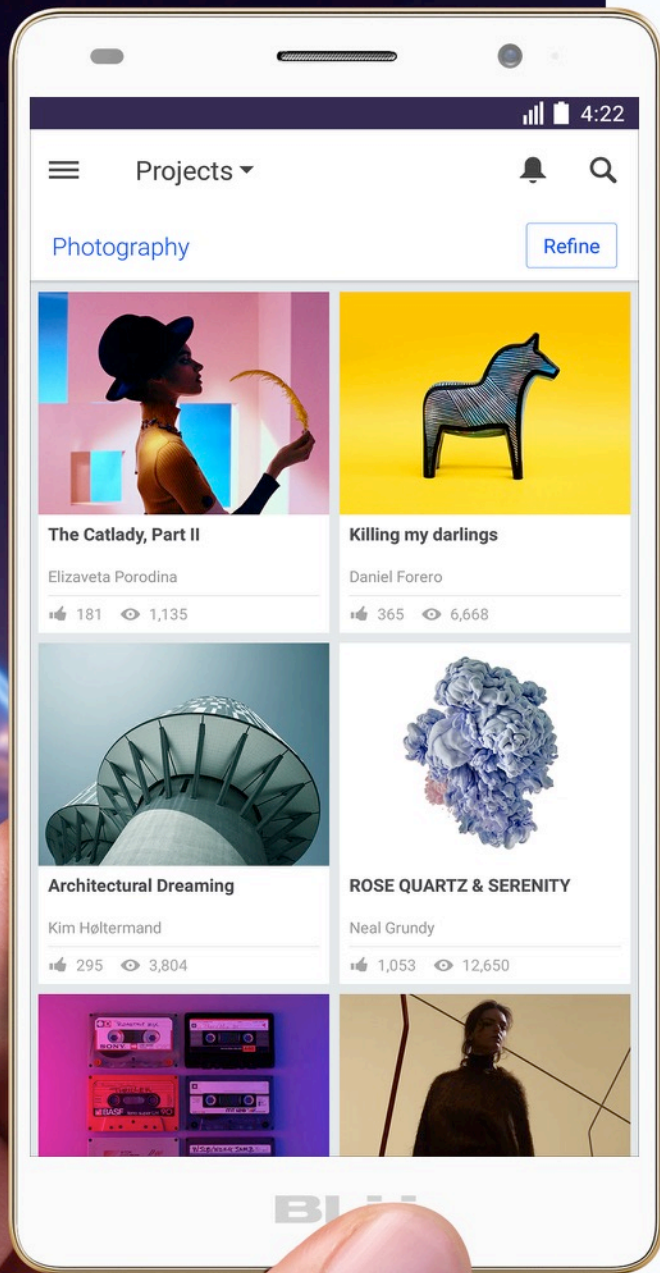

## Dual SIM card

The Studio G Plus HD gives you several advantages that you can't let pass by. With two SIM slots, you won't have to worry about exchanging SIM cards from one phone to another, carrying two phones in your pocket or charging two devices.

You can even take advantage of different voice/data plans for better rates, better coverage, and separate bills. Set apart personal calls and business calls and avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.
