DASH G

KEY SELLING POINT

Introducing the DASH G, uniquely designed with an electrolyzed metal frame and leather finish. A smartphone with presence and style.

Well equipped with a vivid and bright 5.0" display that will assure all pictures are clear and crisp.

Packing a punch with 4GB of internal memory and an external storage capacity of 64GB on SD card. Working overtime with a 6580 MediaTek 1.3GHz Quad-Core processor, as well as the latest Android 6.0 Marshmallow, users will experience no interruptions in productivity.

Capture every breathtaking moment with a 5.0 Megapixel main camera along with a 2.0 Megapixel front camera for quick selfie snaps. The DASH G is the perfect partner to capture all of life's visual masterpieces.

SMOOTH PROCESSOR

HSPA + 21 Mbps

Put your DASH G to the test with its 1.3GHz Quad-Core processor and you will see that it multitasks as good as you do.

From a vibrant Powerpoint presentation to your favorite video game, it will all look good thanks to the Mali 400 GPU.

BEAUTIFUL DESIGN

The DASH G creates both design and technology in an amazing combination. Carefully crafted electrolyzed metal front frame brings out the essence of craftsmanship, while the tailored leather finish on the back cover ensures an ergonomic hand held experience. Available in Black, Gold, White, and Rose Gold.

NO NEED TO SQUINT

Your smartphone screen should be big enough to be a comfort to your eyes.
The DASH G has an ample 5.0" screen to make any angle a great angle.

DASH G

DUAL SIM CARD

The DASH G gives you several advantages that you can't let pass by. With two SIM slots, you won't have to worry about exchanging SIM cards from one phone to another, carrying two phones in your pocket or carrying two devices. You can even take advantage of different voice/data plans for better rates, better coverage, and separate bills. Set apart personal calls and business calls and avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.

UNLOCKED

Stay connected with friends and family while traveling across the country. Get the job done no matter where you are.

The DASH G comes with 3G 850/1700/1900, 850/1900/2100 so you can have coverage across the entire United States with all different carriers; AT&T, T-Mobile, Metro PCS, and the entire MVNO network.
