## SEXY DESIGN

The design of the ENERGY X PLUS 2 is a combination of art and material. With the addition of a metal battery cover, it gives the smartphone a premium structure and quality. Available in Grey, Gold and Rose Gold there is a color for all users.

## SHOWCASE

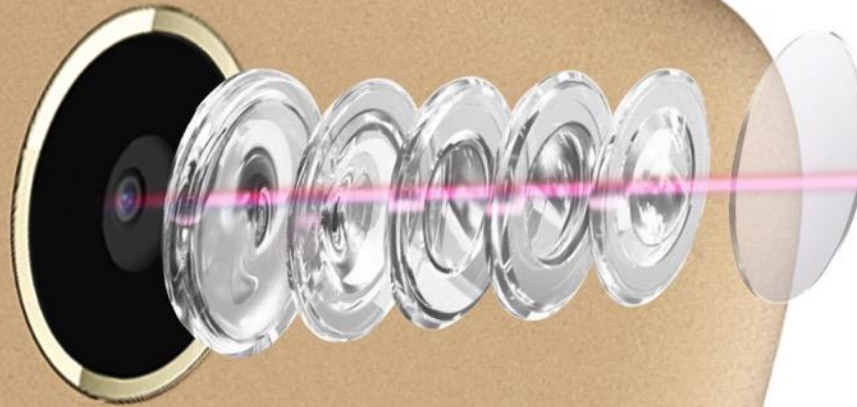

The ENERGY X PLUS 2 rocks a vivid and bright 5.5" HD display with BLU Infinite View (IPS) technology. Matched with a smooth and gorgeous curved glass along with full lamination technology that result in a super thin and super clear cinematic display.

## CURVED GLASS

The ENERGY X PLUS 2 adds a curved touch panel for both ergonomic and aesthetic purposes. Better viewing angles and sunlight legibility are just some of the many improvements the special glass provides. In addition, it provides a gorgeous look and feel.

## OPTICAL PERFORMANCE

Utilizing a 8MP camera along with 5MP front selfie camera with LED flash, the ENERGY X PLUS 2 offers the fully optimized camera experience. With built in f2.4 aperture, all the images are life like and meant to be cherish forever.

## FRONT FLASH

If you find yourself in a low lit area, use the front flash to get the best exposure.

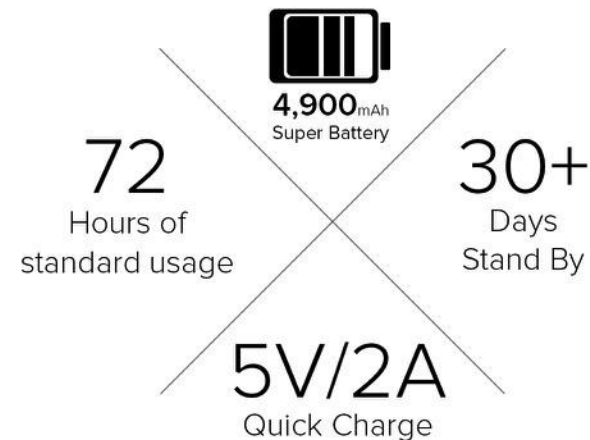

## AMPED UP

The most frustrating part of owning a smartphone is always low battery and having to search for a power outlet to charge your device.

With the ENERGY X PLUS 2 you will not have that problem as it is built with a massive 4,900mAh Monster Battery that lasts up to 3 days with standard usage and over 30 days on stand by with just one quick charge.

Get up to 1 hour of talk time with a lightening quick 10 minute charge. With its 5V/2A quick charger, there is no more sitting around waiting for a charge. Now that is amazing fast and convenient.

## Android 6.0 Marshmallow

### NEW FEATURES

- Redesigned user interface that is friendly and intuitive.
- Lock screen notifications that offer quick actions as well as quick access.
- Project Volta for better battery life than any previous version.
- Multitasking is now easier with a complete look at your open applications.
- Multiple users and guest mode make it easy to share your device without compromising your personal information.

ENERGY X PLUS 2

## DUAL SIM CARD **1 2**

The ENERGY X PLUS 2 gives you several advantages that you can't let pass by. With two SIM slots, you won't have to worry about exchanging SIM cards from one phone to another, carrying two phones in your pocket or charging two devices. You can even take advantage of different voice/data plans for better rates, better coverage, and separate bills. Set apart personal calls and business calls and avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.

## UNLOCKED

Stay connected with friends and family while traveling across the country. Get the job done no matter where you are.

The ENERGY X PLUS 2 comes with 3G 850/1700/1900/2100 so you can have coverage across the entire United States with all different carriers; AT&T, T-Mobile, Metro PCS, and the entire MVNO network.
