STUDIO 5.5 HD

KEY SELLING POINTS

Introducing the Studio 5.5 HD. Redefining what the studio family is all about.

Powered by an amazing **1.3 GHz Quad Core processor**, and fueled by the latest **Android Lollipop 5.1** operating system, users will see multitasking in a whole new way.

Everyone loves a beautiful and bright **5.5" display**, but we took it one step further and made it HD. So you can always be certain that your view will be crisp and clear.

Life happens at its own pace. Never be left unprepared with two built in cameras, a **5MP Autofocus** main and if selfies are your thing, we got you covered with another **5MP front mounted selfie camera**. The Studio 5.5 HD will always be prepared to help you capture life as you live it.

•• T •• Mobile •

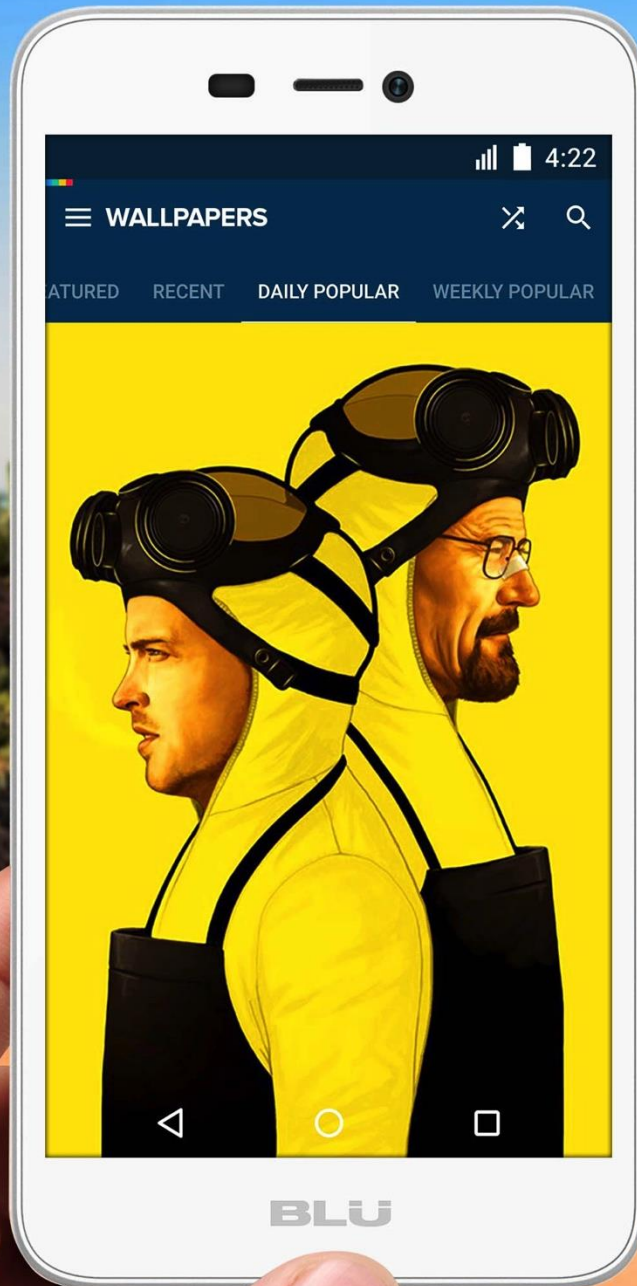

Stay connected with friends and family while traveling across the country. Get the job done no matter where you are.

The **STUDIO 5.5 HD** comes with 3G 850/1700/1900, 850/1900/2100 so you can have coverage across the entire United States with all different carriers; **AT&T, T-Mobile, MetroPCS, and entire MVNO network.**

DUAL SIM CARD **1** **2**

A **Dual Sim** gives you several advantages that you cannot let pass by. Having two SIM slots in your mobile device, you won't have to worry about exchanging SIM cards from one phone to another, carrying two phones in your pocket or remembering to charge two devices. You can even take advantage of different voice/data plans for better rates, better coverage, and separate bills. You can set apart personal from business phone calls. A **Dual Sim** phone could avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.
