Huge memory

Multitasking is now a breeze with the Vivo 6's built in 4GB RAM. Downloading a PowerPoint presentation, streaming a Netflix movie or sending an email right before boarding a flight is now effortless.

Enjoy plenty of space to allocate all your pictures, music and videos on the 64GB internal memory. Download and install all the Apps that make your life easier from the Google Play Store.

An optional MicroSD slot will offer you even more memory space, up to an extra 64GB.

Out right gorgeous

CNC machined out of air craft grade aluminum resulting in a robust 97% metal to body ratio, the VIVO 6 design is the composition of genius engineering and delicate artistry that combine technology and aesthetic. Topped off with a smooth curved touch display, the look and feel experience is out of this world. Diamond cut polishing along with powder coating treatment ensure flawless design. Available in Rose Gold, Silver and Gold, the VIVO 6 is a mastery of premium.

Heavy metal

The VIVO 6 enclosure is computer numerically guided CNC machined out of aerospace grade aluminum that ensure impeccable quality.

Using state of the art 7000 series aluminum as the building block, the VIVO 6 is virtually indestructible.

Diamond cut drill polish the mirror like finish on the chamfered edge; contrast with the powder coated finish brings out the true nature of this magnificent design of this smartphone.

Dual sim card **1** **2**

A DUAL SIM gives you several advantages that you cannot let pass by. Having two SIM slots in your mobile device, you won't have to worry about: Exchanging SIM cards from one phone to another · Carrying two phones in your pocket · Remembering to charge two devices.

You can even take advantage of different voice/data plans for better rates, better coverage, and separate bills. You can set apart personal from business phone calls. For the international traveler, a DUAL SIM phone could avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.
