Dash L

DUAL SIM CARD **1** **2**

A DUAL SIM phone gives you several advantages that you can not let pass by.

By having two SIM slots in your mobile device, you do not have to worry about:

- Exchange SIM cards from one phone to another
- Carry two phones in your pocket
- Remember to charge two devices

You could take advantage of different voice/data plans for better rates, better coverage, and separate bills. You can separate personal from business phone calls. For the international traveler, DUAL SIM phone could avoid roaming charges by having domestic carrier SIM and international carrier SIM.

KEY SELLING POINTS

The all new **Dash L** smartphone is the latest addition to the popular BLU Dash Series. With 6 outstanding colors, there is a BLU Dash L for everyone's style.

You have a powerful **1.0GHz Dual-Core** processor on one device to take care of all your tasks.

Take pictures with a **3.2MP** main camera, so no moment will ever be missed. There is also a **VGA** front camera for quick selfies.

With over a million apps in the Google Play Store the Dash L is equipped with Android v4.4 KitKat so your experience will be of the utmost quality.
