STASH YOUR CASH

Studio X8 HD is the ultimate tool in cost savings.

Get the lowest cost cell phone plan!

Without 3G or 4G data you can save on the HUGE COST from expensive cell phone bills.

With the Studio X8 HD you will have 2G EDGE DATA, so services like email, twitter, whatsapp will work flawlessly, without having to pay for 3G/4G speeds

When needed to use faster data for streaming videos or music, you can connect to Wi-Fi where available for FREE Data Usage.

Save Cash, Live Smart.

DUAL SIM CARD **1** **2**

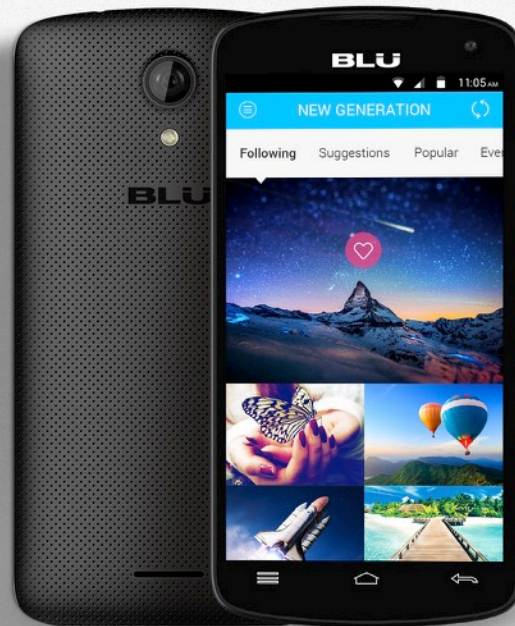

A DUAL SIM gives you several advantages that you cannot let pass by.

By having two SIM slots in your mobile device, you do not have to worry about:

- Exchanging SIM cards from one phone to another
- Carry two phones in your pocket
- Remember to charge two devices

You could take advantage of different voice/data plans for better rates, better coverage, and separate bills. You can also separate personal from business phone calls. For the international traveler, a DUAL SIM phone could avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.
